

REQUEST FOR TEMPORARY UTILITIES

DATE: _____ **PERMIT#:** _____

RE: THE USE OF TEMPORARY UTILITIES FOR CONSTRUCTION PURPOSES AND TESTING EQUIPMENT AT

PROJECT ADDRESS: _____

I, _____, as owner/contractor;

I, _____, as electrical contractor;

request the use of temporary utilities for construction and testing of equipment. I understand that this in no way gives me permission to occupy or use for storage purposes any building or portion thereof unless all permits on the building or portion to be occupied have been inspected and a Certificate of Occupancy issued. We further understand that the temporary utilities may be disconnected for any code violation. The general contractor and owner assume the responsibility for any violation of any ordinance, code or law by the sub-contractor.

Temporary electrical permits are in force for three (3) months (90 days). If more time is required to complete the building, a new application shall be submitted by a licensed electrical contractor and be accompanied by the temporary electrical permit fee.

I do hereby agree that I will **indemnify** and hold harmless the City of Dickinson, including but not limited to, its officers, agents, and employees from and against any and all damages, claims, causes of action, costs, expenses and attorney's fees for all claims and suits, including but not limited to claims and suits for death, personal injury, and property damage arising out of, connected with, or related to the furnishing of utilities for which application is hereby made, whether or not caused in whole or in part by the negligence of the city, its officer, agents or employees.

I hereby agree to abide by all provisions of the City of Dickinson code of ordinances and state law.

I certify that I have read the above and foregoing and that I understand fully the statements contained herein.
